POP - Declaration of Conformity

As a matter of principle, we do not use any persistent organic hazardous substances (POP) and also confirm that none of these substances are neither released nor placed into the market with our products, packaging or other deliveries, nor with any disposal whatsoever.

Our top priority is to protect human health and the environment from these substances in accordance with the precautionary principle.

This declaration is valid for all dangerous substances in accordance with the original EU Regulation No. 850/2004, all subsequent changes up to the EU Regulation 2016/460 and, since 2019, the replacement regulation EU 2019/1021 as well as the subsequent material updates up to on the adjustments regarding the waste management regulations (most recently by EU Regulation 2022/2400), i.e. also plus:

- Perfluorooctanoic acid (PFOA), its salts and related compounds
- Perfluorooctane sulfonic acid and its derivatives
- Dicofof
- Pentachlorophenol, its salts and esters

Based on our knowledge and that of our suppliers, our products do not contain any persistent organic hazardous substances (POP). This document is to be regarded as a voluntary service without legal claim. The statements are based on our current knowledge and experience. No warranty or liability can be accepted for factors beyond our knowledge and control.
